

Parents Assessed For Vandalism of Youngsters

Town officials cracked down hard this week after the most recent case of destruction of public property on the part of Greenbelt children. The community officials tendered bills for a total of \$82 worth of damage to the parents of the children who allegedly caused the property destruction.

The parents of four youngsters have been asked to pay \$32 for damage to some drainage pipe, which had been placed beside the highway in preparation for the installation of a new drainage system, and a bill of \$50 was submitted to the parents of other children who are said to have pulled up stakes which were set out by surveyors planning the new grading project.

Community officials said that all the markers in one court disappeared overnight thus necessitating the resurveying of this court.

Plane Spotters Will Continue To Function; To Meet Monday Night

After 22 months of continuous service, 24 hours a day, the local airplane spotters watch tower went on an abbreviated schedule this week, following the recent decision of the army to curtail the air spotter program.

The local tower will be manned from 1 to 5 o'clock each Wednesday afternoon. C. S. Turner, chief observer, said the new schedule will be maintained in order to keep the staff intact so that they may be mobilized in case of an air raid alert.

A special meeting will be held for all the observers in the local elementary school building, room 125, Monday evening at 8:30 o'clock.

The meeting will be of considerable importance as Mr. Turner will explain the plans for the future operation of the look-out station as is desired by the army officials.

The local post was opened the week after the infamous Pearl Harbor attack and has been manned continuously since that time. An estimated 150 persons have assisted in this work. Despite the curtailed manning hours the entire force will be kept intact and the post will be kept in operation, ready for instant use in case of any emergency.

New Stamp Club Formed

The newly organized Greenbelt stamp club will have its regular monthly meeting Sunday. The club will meet at 5-K Ridge road, at 3:30 p. m. Anyone who is interested in stamp collecting as a hobby is cordially invited to this meeting. There are no dues.

Consumer Co-op Class

It was announced this week that the class on consumer co-operation, a part of the adult education program, will hold an informal meeting Sunday October 17 at 52-A Crescent road from 4 to 5 p. m. Possible text books for the course will be discussed and a study will be made of the education committee hand book, a book issued by the Eastern Cooperative League.

Adult Gym Classes

Women's gym nights will be tough to remember for a while, so you'd better clip this note out girls. Ladies will have their gym periods at 8 o'clock the first and fourth Wednesdays and second and third Mondays.

The male gymnasts will get theirs on Thursdays at 7:30.

Due to the issuing of War Ration Books No. 4 there will be no gym nights on October 21 or 22.

North End School at 53 Ridge Rd. To Open

The north end school at 53 Ridge Road for kindergartners, first and second graders is expected to open very soon. Parents of the children affected will be notified by letters which the children will bring from school.

As the establishment of the school in a building designed for separate apartments is an emergency measure, doors will not be cut through the partitions, and the stove and refrigerator units will be left in place pending the time when approval may be granted for a permanent building.

The cooperation shown by the former tenants has been praised by the town administration.

It was found last year that school attendance by children in the north end was abnormally low, as parents were unwilling to send their younger children for the long walk to school in bad weather. Many also felt that their youngsters' resistance to colds was lowered by the wearisome journey.

Bob Hannan Signed For Hallowe'en Ball

Bob Hannan's band, a melodic ten-piece aggregation, will furnish the music for the big Hallowe'en ball to be presented by the Greenbelt Citizens' Association at the elementary school Saturday, October 30.

"This band will give the merry-maker what they want," said Byron Roshon, who is in charge of the dance.

Other features of the gala celebration will include prizes for the best costumes, a jitterbug contest and a waltz contest.

Tickets for couples will be sold in advance and at the door. Single admissions will be sold only at the door.

Cooperator To Have Guest Editorialists

Two prominent local men have been asked to be the guest editorial writers for the COOPERATOR for the next two weeks during the absence of Editor Waldo Mott who left yesterday for a short vacation.

600 Youngsters Dance

Six hundred young people attended another in the series of dances planned for the teen-age group Saturday night.

The recreation department provided prizes in the form of war stamps, Miss Joan Webster, second prize, \$1.00 in war stamps, and Farrel Sipe, third prize, 50 cents in war stamps.

A Thanksgiving dance is being planned for the group in November and a gala Christmas dance will be held in December. Money earned from the paper salvage drives will be used to defray necessary expenses for these parties.

Judges for the costumes at the Halloween dance were Mrs. William Pinnix, Mrs. Ed. Halley, Mrs. Herbert Hall, Mrs. John Collier and Mrs. Long.

Blood Donors Needed

The Red Cross mobile blood donor unit cannot appear in Greenbelt until after the first of the year but arrangements have been made to have those who wish to give blood taken to Hyattsville on the 23rd of October, providing 15 people apply. Donors may call Mrs. D. J. Neff, or Mrs. J. L. Rogers, (after 6 o'clock) for an appointment.

Attention!

Director of Recreation Ben Goldfaden issues a call to all softball and baseball players who have not yet turned in their uniforms and jackets to please get them in.

Mr. Goldfaden hopes that the athletes will have consideration enough to turn in the equipment in a clean condition as it was issued them.

Salvage Drive Starts Tomorrow

Greenbelt's "Victory Comm-ados" will begin work on the paper salvage drive early tomorrow morning (Saturday). Residents are requested to have papers and magazines tied and waiting on their back porches or apartment house basements early every Saturday morning. Mrs. Rolfe Sauls, who is supervising the work said, "This is a tremendous work for our boys and girls. We ask your cooperation and patience."

Block Captains for the work are: "A", Jack Baxter; "B" & "C", Mrs. Rolfe Sauls; "D", Mrs. Joseph Long; "E", Mrs. Lloyd Nelson; "F", Block, Laurel Hill and Plateau Place, Mrs. Frank Dunn. If papers are not called for at any particular home the resident is asked to contact the block captain. Captains are still needed for Block "J" and Park-belt.

The program locally is being carried out, first, to help supply the need of the war effort and, second, as a means of earning funds for the continuance of dances for the young people in town.

Newspapers and magazines will be collected in this manner each Saturday until further notice.

"E" Block Salvage Drive

Mrs. Lloyd Nelson of "E" block announced that she has made arrangements with children in the block to have all paper picked up each Saturday morning. All householders are asked to cooperate with these children by having their paper ready so that it can be picked up soon after eight o'clock. The following children agreed to be responsible for their row and in some cases for more than one row: "Pee-Wee" Tompkins, Mildred Leaman, "Buzzy" and Betty Lemman, Mary Jo Todd, June Bacigalupi, Maureen Murray, Billy Donoghue, Lorene Nelson, Leonard Diebert, Clyde Eanes, Wesley Bryan, John Teel, Patsy Hesse, Billy and Bobby Dove, Joanne Slye, Bobby Plackett and Kenneth Brown.

22 Now Attending Child Care Center

BY ANNE HULL

Seventeen pre-school tots and five kindergartners are now enrolled at the Child Care center at 14 Parkway, as it goes into its sixth week. Except for the kindergarten children, who spend two and one-half hours of their time at the Elementary school, the youngsters put in 11 hours a day here, from 7 a. m. to 6 p. m., under the expert supervision of Mrs. Marian Anderberg, Mrs. Alice Wheaton, Mrs. Jack Webster, and Mrs. Josephine Gawthrop.

It was announced today that the center will be able to care for children whose mothers are hospitalized. This decision was reached after many requests had been received.

The twenty-one who play while mother works are Julie Brennon, Nancy Campo, Bruce Jones, Ira Kirschbaum, Gordon Owen, Judith Zalph, Geraldine Gerwe, Roy Belk, Geraldine Duncan, Lorna Beardsley, Joyce Anderberg, Joyce and Norma Schallencamp, William and George Bridges, Michael Stripling, Jerry Silverstein, David and Charles Foggat, Thomas Althaus, Phyllis Meek and Vicki McLane.

Mrs. Anderberg, director of the Child Care center, is a graduate of the West Michigan College for Teachers, and has had further training and experience in nursery school work in Rockford, Grand Rapids, Detroit, and Niagara Falls. She has two little girls of her own, aged four and six. Her approach to her small clients is a charming combination of professional skill and motherly interest. Mrs. Anderberg succeeded Mrs. Charles Stryer of Laurel, who left August 30.

Assistant teacher Alice Wheaton is a graduate of Duluth State (Continued on Page 4)

U. of M. Professor Urges World Group

The first meeting of the Woman's Club this season was held last Thursday afternoon at the home of Mrs. James McCarl. Mrs. George E. Clarke, president, presided.

Dr. Wesley Gewehr, head of the University of Maryland History department, spoke on "America and the Coming Peace". Doctor Gewehr gave a resume of the history of our country and its efforts to maintain peace from the beginning of its history. He said that unless the United States is willing to heed the lesson of history and realize that it cannot stand alone and joins with other countries in some kind of organization that will bring overwhelming power to preserve peace it cannot expect to keep the peace.

The following new members were received into the club: Mrs. Curtiss Barker, Mr. Walter Bierwogen, Mrs. Daniel Branch, Mrs. Henry Brautigan, Mrs. Frank Geiermann, Mrs. Benjamin Goldfaden, Mrs. Alfred R. Lee, Mrs. Ada V. Markley, Mrs. Lloyd Nelson, Mrs. Benjamin Sheldon, and Mrs. Harry Walls.

The fine arts division of the club, headed by Mrs. Daniel J. Neff, announced their first meeting would be held October 21 at the home of Mrs. Guy Andrus, 11-R Ridge Road.

The speaker will be Mrs. Charlotte T. Scheidy, state arts and crafts chairman, who will speak on "Arts and Crafts in Your Club."

The meeting closed with the singing of "Maryland" and the serving of refreshments. Mrs. J. P. Loftus, Mrs. Ada V. Markley and Mrs. D. J. Neff served as co-hostesses.

War Relief Group Meets Saturday Night

The movie film, "Report from Russia" will be screened at the local elementary school auditorium tomorrow evening (Saturday) at 8:30 o'clock under the sponsorship of the Greenbelt United Nations War Relief committee.

The war relief group is planning to collect castoff warm clothing to be shipped to Russia to keep our allies warm during the coming winter months.

All Greenbelt housewives are being asked to make a survey of the castoff clothes stored away and give as generously as possible during this campaign.

Adult Classes Show Interest in Languages

The adult classes this year show more interest in languages and the conservation of clothing, reflecting the every-day interests of local residents.

Last year's class in Spanish will continue with advance work and another beginners class has also been organized. Both classes are being conducted by Dr. Carl Scharf of Hood College.

Joseph Karlin of Greenbelt will teach beginners' classes in Russian and German. The class in German meets Monday evenings and the Russian class meets Tuesdays. Mr. Karlin has taught languages in the evening schools in Washington.

A large class in sewing is being taught by Mrs. Edith Snapp Monday and Wednesday evenings. Mrs. Snapp will also conduct a cooking class if sufficient registrations are received.

The woodworking class, under Ben O. Sheldon, high school teacher, is interested in constructing items for home use. Several women have enrolled in this class.

A class in shorthand and typing met this week in the high school building, but it is not yet certain whether a sufficient number of persons will be on hand to warrant the authorization of the group.

A group of local residents are attempting to organize a class in photography and they met Monday evening in the Elementary School.

Council Appoints Gobbel; Discusses Jitney & Bonus

The resignation of Town Manager Roy S. Braden was finally accepted by the town council which met in special session Friday night. The council had previously twice refused to accept Braden's resignation, despite his insistence that he was accepting the position of city manager at Highpoint, N. C.

James T. Gobbel, who was recently named by the Federal Public Housing Authority as community manager to succeed Braden, who held both posts, was unanimously appointed town manager by the council.

Councilman Fred DeJager recommended the further study of the possibilities of obtaining some form of transportation to and from the central part of town for residents living in the defense homes at the northern end of town. Town Attorney John White was commended for his part in handling local interest in retaining the Mount Rainier bus line. All the councilmen, however, expressed the feeling that further action may be taken on the part of the Capital Transit Company and they are prepared to meet it.

A lump sum of \$300 has been designated by the council to be divided as a bonus among employees who worked full-time in the summer recreation program this year in recognition of the amount and quality of work performed. The action was proposed by councilman Francis T. Lastner, who reminded members of the council that the extremely favorable water during the summer season had meant not only larger receipts from the swimming pool, but also a larger amount of work to be done.

As his last recommendation to the council Friday evening, Mr. Braden asked that they put serious thought and study to the possibility of establishing a war compensation plan for town employees in the near future.

Councilmen and townspeople present, joined in a celebration of Mayor Allen D. Morrison's birthday following the council meeting.

War Bond Sales Here Almost Reach \$30,000

Greenbelt fell just under the \$30,000 mark in the Third War loan campaign, it was announced this week by Mahlon Eshbaugh. The war bond sales here totaled \$29,900, which was 85 percent of the local goal of \$35,000 set by treasury officials.

Seek Bandage Folders

Bandage folders are again needed by the Red Cross, to help keep up the quota set by the Army and Navy. The government has doubled the quota over that set for this time last year and the Greenbelt workroom does not have enough folders to meet the demand upon it. There were 2500 bandages folded in Greenbelt last month, the burden falling upon eleven faithful women. Anyone who is interested in this work and who is willing to put in the time the work requires may contact P. L. Beach of 4-C Gardenway.

Camp Springs Day Room

The Prince Georges County Red Cross has been asked by the Army to help furnish the day room for the use of soldiers at the new Camp Springs field which is in this county. Chairs, sofas, lamps, table and card tables are much needed. Anyone having any such articles to contribute is asked to get in touch with Mrs. D. J. Neff and she will arrange to have the Army pick them up.

The Junior Jump is being held tonight at the Elementary school. The dance is from 9 to 12 o'clock.

Long Pants

Greenbelt has grown up. For a long time the town has been having its hands full trying to solve its own problems, and getting its own house in order. There may be a good many things still to do but at least it is time that we began to take stock of what is happening in the rest of the county.

As the largest town in Prince George's County, Greenbelt has a definite obligation and a duty to perform. No democratic community can afford to fail to play the full part required of a democracy. We must begin to take more of an interest in the way our county and state are getting along.

There have been times when Greenbelt's attitude of aloofness has been a definite detriment to the best interests of the town. County leaders are not anxious to cooperate in a one sided affair with us. If we do not take an interest in the county affairs we can hardly expect the rest of the county to take much of an interest in us.

Unfortunately the COOPERATOR is handicapped with a small amount of space to cover adequately our own news. We are hoping that in the not too far distant future there will be space open enough to carry more of the county news items.

The town organizations could well spend some time on this problem of promoting a better relationship with our neighbors. Both from a selfish point of view and as a duty within a democracy, something should be done.

One Year Ago

(From the Cooperator of
October 16, 1942)

Arthur L. Rysticken received a diploma at the last meeting of the town council for the successful completion of a course in Technique of Municipal Administration—A Halloween dance, sponsored by the Greenbelt Citizens' Association was being planned for October 31 at the elementary school—Dr. Samuel R. Berenberg resumed his position on the staff of the Greenbelt Health Association after sixteen months as a health officer in the Pribiloff Islands and Alaska—Results of the election registration completed last Tuesday indicated that Greenbelt just mustered a sufficient number of registrations to insure the town a permanent polling place; 501 reg-

istrations were recorded, with 500 designated as the minimum number.

Five Years Ago

(From the Cooperator of
October 6, 1938)

Henry H. Maurer was elected mayor of Greenbelt—Greenbelt Food Store celebrated its first anniversary—Dr. Will Alexander, administrator of the Farm Security Administration, who recently returned from a visit to Great Britain, toured Greenbelt.

(From the Cooperator of
October 13, 1938)

The Greenbelt store presented U. S. Food and Drug Administration exhibits in an effort to inform the citizens of misbranded and harmful drugs—The latest report

The Tattler Says:

The Tattler confesses that he erred last week when he said that Prince Georges police didn't have to come to Greenbelt to shoot stray dogs because there "ain't no such animal" here. The Tattler saw one this week running around the north end.

Councilman Fred DeJager will make himself a lot of supporters if his proposed plan to inaugurate a jitney service for the benefit of the north end residents becomes a reality.

Councilman Frank Lastner, who was instrumental in blocking the proposed bus service curtailment, again came up with a good move when he proposed the distribution of a bonus to the recreation workers.

We wonder which councilman will make himself some more supporters by being the first to suggest the abolishing of the 4 o'clock clothes surfew ruling which irks so many local housewives.

New Babies

Mr. and Mrs. Sherrod East announced the birth of their third daughter, Ellen, who weighed eight pounds when she was born at Homeopathic Hospital in Washington Sunday afternoon.

Mr. and Mrs. Irvin A. Bielas of 9-K Research Rd., are the proud parents of a 7 lb. baby girl, named Lorene Wilma Bielas. She was born Oct. 7, at the Leland Memorial Hospital, Riverdale.

Our Neighbors

Mrs. Delores Juliano Frazier is visiting her husband, Corporal Fred Frazier in New River, N. C. She previously visited with his parents in West Virginia.

Deanna Bryan of 2-E Northway celebrated her sixth birthday with a party at her home last Thursday.

Mr. and Mrs. J. L. Muller of 33-L Ridge Road, have a visitor, Mrs. Muller's mother of Rochester, N. Y.

The many friends of Lieut. (j. g.) and Mrs. Curtiss F. Barker gave a farewell tea for them Sunday afternoon at the home of Mr. and Mrs. Ben Goldfaden. Lieutenant Barker has been transferred to Kansas City and left for there yesterday.

on the Greenbelt Theater was: "Record Matinee last Saturday A near capacity audience, predominantly children, stormed the Greenbelt Theater to see "Snow Whit" and a hair-raising episode of the "Lone Ranger". The audience totaled 548, including 454 children and 94 adults. There were just 44 vacant seats."

The School Week

The fall recreation program for the elementary school sponsored by the recreation department of Greenbelt was opened September 27 with the beginning of physical education classes for all children above the first grade. These classes, held during a designated period of the school day are devoted to body-building exercises, relay races, and group games. The six classes of the second and third grades are given one period a week for forty-five minutes; the four classes of the fourth and fifth grades have two periods a week for forty-five minutes while the four classes of the sixth and seventh grades have two one-hour periods a week. The purpose of these classes is to give physical training to the growing child, to teach basic game skill and to engroup activity.

After-school activities for the elementary grades are scheduled daily from 3:15 to 4:15. Already the sixth and seventh grade boys have formed a touch football league with games falling on Monday, Wednesday and Friday afternoons. Other active games for both boys and girls include softball, dodgeball, soccer, kick ball and, later, basketball. A tumbling class for girls meets every Monday while the specialty on Tuesday will be boxing for the boys. This year, in addition to group of dancing classes is being offered. On Wednesday the fourth and fifth grades meet for rhythms for the while the sixth and seventh grades meet on Thursday for modern dance. A class in rhythms for the lower grades including kindergarten, is scheduled for Saturday morning from 9 to 10. Another change in the usual program is the extension of arts and crafts through the winter term. This class, which is limited to the fourth, fifth, sixth and seventh grades, meets every Monday and Thursday with special emphasis placed on the making of Christmas gifts. The children are given instructions and help in weaving baskets, hot dish holders and luncheon sets; in making stuffed animals, yarn dolls, door stops, puppets, Christmas cards and decorations; in framing pictures; and in embroidering towels and other articles.

Supervised recreation is also offered on Saturdays and since the recreation department is now working the full day, the amount of time devoted to each group has been increased. The Saturday program for the elementary school is as follows: 9 to 10 a. m.—1, 2, 3 grades, boys and girls rhythms and free play; 10 to 11 a. m.—4, 5, 6, 7 grades, girls free play; 1 to 2 p. m.—4, 5, 6, 7, grades,, boys free play.

This column welcomes any news, announcements or information (including suggestions or criticisms) pertaining to the schools or educational activities in the community. Any school official, parent or instructor is invited to utilize this column and may obtain further information by telephoning Greenbelt 3027.

Fall Recreation Program

Mrs. Fugitt, principal of the elementary school, requested this column to announce that the school will be closed October 21 and 22 in order to issue ration book number four. Book three must be completely filled out and presented to the ration official before book four can be issued.

Soon—perhaps before the end of the month—the kindergarten and primary age children in the north end of town will be attending the new school located at 53 Ridge road at Ridge road and Plateau place. The transfer of these groups will alleviate considerably the present overcrowding as well as reduce the distance these children travel at the present time. Many parents will be glad to have their youngsters come home to a hot lunch during the

(Continued on Page 4)

Community Church

The Rev. Wilmer Pierce Johnston will preach the first of his series of sermons Sunday entitled "Messages From Men of Yesterday for Men of Today". His theme will be "The Man Who Lived for Tomorrow". The regular adult sermon will be preceded by a junior sermon to the junior congregation entitled "Do Dreams Come True". Special music will feature this service under the direction of G. Byron Roshon and accompanied at the organ by Mrs. Wiksell.

The Church school will meet at 9:30 a. m. with classes for all. Those who attend Sunday will find new faces in the teachers' department.

The regular monthly meeting of the officers and teachers of the Church school will be held in the Pastor's study 8-B Parkway, Sunday evening at 7:30 o'clock. The choir will meet for rehearsal Wednesday evening at 8 o'clock in social room. Those who can contribute to the choir are urged to report to Mr. Roshon either before the Wednesday evening practice or at the close of the Sunday morning service.

The Youth Sunday, which was announced last week as occurring in November, has been postponed until the first Sunday in December.

Community Church Guild

The Community Church guild met at the home of Mrs. Anna Lewis Wednesday afternoon. A nominating committee, headed by Mrs. Paul E. Featherby, was appointed to nominate officers for the election to be held at the November meeting. It was decided to hold a bake sale in the food store October 23 and Mrs. George Wyant was named as chairman of the committee. All church members are urged to make donations to assure the success of this event.

Catholic Church

Sunday Masses—7:30 a. m. and 9:30 a. m. Greenbelt theatre. Confessions—Saturday evening 7:30-9:30 p. m. at 17-E Ridge Rd. Miraculous Medal Novena—8:00 p. m. each Wednesday evening at Brwyn.

Mr. and Mrs. George E. Clark had as visitors over the weekend, Mr. and Mrs. F. A. Young of Abilene, Kansas who stopped on their way to Stamford, Conn

Pop Widger's Boys Stop Eagles Streak; Bowman, Cockill Hot

By JOHN J. DEAN

After last week's shower of shut-outs, bowling returned to normal with the only shut-out being recorded by the Commandos who applied the whitewash brush to the Coppers. Individual honors went to Cliff Cockill with his 416 game, and Al Bowman with a 362 set. Bowman, however, was closely presided by Rtd Altn's 361 and Phil Taylor's 359.

The Commandos, with Red Allen firing a 261 set, shut out the Coop outfit 3-0; Scorpions stopped the Eagles' winning streak at 11 as Pop Widger showed the boys how strikes should be made, winning the last game after the Eagles had won the first two; Corner Delicatessen retained the runner-up spot as they took two from Paradise Lane, with the return to form of Al Bowman whose 362 was high for the evening, despite some fine bowling by Cliff Cockill of the losers, whose 146 game was tops. Sanders' crew topped the high team game with a 575 game in the second contest; Redskins took the Defenders into camp 2-1; American Legion trimmed the Yankees 2-1, with Dick Bowman showing the way, Phil Taylor's 359 set for the losers was not enough to stem the tide; Minute Men defeated the Police & Firmen 2-1; Tenderfeet bested Snafu, 2-1 with Colliver's 341 being tops; Triggermen had too many guns for the Vitamen outfit as Guy Bowen and Romer turned on the heat.

Ruth Morgan Is Local Gun Club Champ for 1943

Mrs. Ruth Morgan led a field of 21 marksmen and edged out her husband Freeman to take first place in the third annual championship match of the Greenbelt Gun Club last Sunday at the local range.

Each of the Morgans scored 394 out of 400 possible but Ruth put 20 shots inside the x ring while Freeman spotted 17 holes in his x ring to take second place.

Bates Is Third

Harry Bates turned in a score of 388 for third honors. Although this year's National Rifle Association medal went to Ruth Morgan, Freeman Morgan won the 1942 Club match. In 1941 Charles Brown took the championship.

In Sunday's shooting Edward Turner won a surprise trophy for hanging up the highest number of x-scores of any non-medal winner. An advancement medal provided by Freeman Morgan went to Samuel Wallace as the highest scoring "new" member. Boxes of ammunition went to several other marksmen as prizes for their accuracy.

Contestants this year shot the Dewar course—20 rounds at 50 yards and 20 rounds at 100 yards all prone. An uneven cross wind during the match provided a good alibi for all rifleman dissatisfied with their scores.

Scores Listed

Of the 21 firing the 12 highest are listed below in descending rank, together with their scores:

Competitor	50	100	Total
R. Morgan	198	196	394
F. Morgan	197	197	394
H. Bates	194	194	388
E. Turner	190	190	380
S. Wallace	193	187	380
B. Rosenzweig	192	186	378
D. Cooper	191	185	376
H. Zabriskie	186	186	372
P. Kasko	181	188	369
H. Snyder	191	178	369
L. Schultz	180	185	365

Cooperator Releases 4 Years Pitching Records

BY BILL MOORE

The first year the Shamrocks were a team Ernie Boggs was the pitching workhorse. The blond fireball was winner of 15 tilts against 5 losses, taking part from the mound in 22 of his team's 31 contests in 1940; he played up until he was made manager this season. He has played every position but catcher and wants a try at that. Skipper Vince Holochwest was undefeated in 8 games that first season.

Pitcher	G	IP	H	R	BB	SO	W	L
Vince Holochwest	11	76	71	39	24	39	8	0
Ray Lewis	2	11	10	5	4	13	1	0
Ernie Boggs	22	165	117	59	30	129	15	5
Bill Zerwick	1	5	7	8	1	4	0	0
Bob Thompson	1	4	10	10	4	1	0	1

1941 came around with Ray Lewis expected to help Boggs with a lot of his chores. Also the Shamrocks gained a big Texan by the name of Jim Breed, who had played a couple of seasons around Washington with the F. B. I. nine and Bill Jenkins' Old Milwaukee Brewers. Lewis was moderately successful winning 3 and dropping 2 before leaving for the West. Breed stayed and finished with the best record, discounting a couple of low perfect records by Holochwest and Bill Moore.

Pitcher	G	IP	H	R	BB	SO	W	L
Bill Moore	2	9	9	4	4	3	1	0
Vince Holochwest	11	67½	62	37	25	40	5	1
Jim Breed	15	89½	104	57	33	50	7	4
Ernie Boggs	15	110	106	56	25	59	8	5
Ray Lewis	6	45½	40	25	22	21	3	2
Bill Zerwick	4	16½	22	15	4	11	1	1

1942 brought Jim Breed an identical record of 7 wins against 4 losses to lead the Greenies. Vince Holochwest pitched in but two games that season, winning them both. His final tilt was a satisfying 10 to 0 shutout over Hyattsville on the eve of his indoctrination into the Navy.

Ernie Boggs had a .500 mound year with 7 and 7. Lannie Birch, winner of 3 games against 2 losses from Ballston and a veteran of a season in the minor leagues, was a disappointment in Greenbelt. He won 2 and dropped 3 before he was dropped from the team.

Pitcher	G	IP	H	R	BB	SO	W	L
Vince Holochwest	2	15	14	3	5	10	2	0
Pete Labukus	1	4	3	0	1	5	1	0
Jim Breed	14	104½	78	32	36	79	7	4
Ernie Boggs	16	120½	105	52	33	81	7	7
Lannie Birch	6	35	41	21	7	26	2	3
Johnnie Picco	1	5	2	0	1	6	0	0

Now the 1943 season is ready to be reviewed and we have another newcomer with promise taking his place with the boxmies. He is Ray Glasgow, a big right-hander with an imposing record behind him. The "Razor" pitched for the University of North Carolina and in the Coastal Plain League, a hotbed of fine ballplayers. Glasgow was the first addition since Breed who made good; he won 10 games and lost but 4 to led the Shams. Breed's 9 and 5 was next.

Ernie Boggs was made manager early in the season and somehow saw fit to use his pitching arm but sparingly during games. He lost his first 4 games before winning then dropped another before really clicking in the last pair of tilts he tackled. Boggs allowed but one hit in each of his last two games which were shut-out victories.

Pitcher	G	IP	H	R	BB	SO	W	L
Ray Glasgow	17	130½	109	42	29	68	10	4
Jim Breed	14	111½	92	45	32	88	9	5
Ernie Boggs	9	73½	49	30	9	67	3	5
Edgar Shinn	3	20½	32	19	12	6	0	2

Baseball

Bill Zerwick set two new local baseball records this season. His 50 bingles eclipsed Julie Andrus' best output of two years ago by 5 hits. The "Wackie" one's feat of swiping 31 bases stamps him the most successful "crook" in Shamrock history.

Young Ted Holt had a keen season but owns the dubious distinction of striking out more than anyone else in a single season. The little speed-demon whiffed 21 time.

Softball

The Greenbelt Athletic Club's championship softball game last Sunday was a pip. Both clubs scored in the first inning and the game was ended in the last frame by 2 to 1. It was a tough defeat for C Block's hurler, Frank Lastner and a fine victory for A Block's Al Schaffer.

Schaffer was aided no little by the alert play of Ben Goldfaden, Murray Krasner and Ernie Boggs, who repeatedly made championship plays to keep C Block off the runways.

Ed Cartier felt a little bit of all right when he bunted home the winning run after booting a grounder the inning before.

Both

A letter that is self explanatory:

October 9, 1943

To Members of the Baseball and Softball Teams of Greenbelt Dear Pals,

Please let me thank you for the beautiful gift you gave me and to say that it is a most useful one. I am very proud of it and will treasure it as one of my memories; it will always remind me of you and your program.

It is not easy to leave you, but I hope that I may have the opportunity of seeing all of you many times in the future. Stay in there, keep swinging, and pile up some more good records in the future.

With my best wishes always to a splendid gang, who win with their program are dear to my heart, I am

Sincerely yours,

Roy S. Braden.

There goes a swell guy, fellows.

FOOTBALL

The Packers were "Johnny-on-the-spot" in their game with College PaPark Sunday. They won by 12 to 0 on a pair of quick touchdown thrusts brought about by heads-up, aggressive play.

Left guard Jimmy DeMarr blocked a Parker kick and Dennis Brewer grabbed it before it touched the ground and was over for the first score early in the second period.

Blake Palmer came out of nowhere to snare a College Park aerial and gallop some 40 yards unmolested to chalk up the twelfth point. Fumbles spoiled both conversion tries.

Bowling, Girl Stuff

Don't feel abused, girls, about not seeing your league standing and stuff in your Cooperator. A few kinks in the submission of sport copy have been ironed out

Athletic Club Softy Title Goes To 'A' Block on Al Schaffer's 2-1 Win; Goldfaden and Cartier Star

Frank Hensel's A Block hearties eked out a close victory at Braden Field, Sunday, over the first half champion C Block ten in a well played struggle that meant the Greenbelt Athletic Club Softball title to them. The score was 2 to 1 with Al Schaffer the winning pitcher and Frank Lastner the loser.

1 For You, 1 For Me

Each team scored tainted tallies in the initial inning. Lastner started off in shakey manner, walking Ernie Boggs, throwing a double to Hansel and filling the bases by passing Bill Moore. Ben Goldfaden popped up and Murray Krasnor skied to center. The throw was to second base instead of home and Boggs romped in for the run. Ed Cartier fled out to end the rally.

Paul Barnhard started C Block on their oen run rally by beating out a bunt and grabbing an extra base on a bum throw. He moved over to third on Harry Snyder's lofty out and counted while Ben Goldfaden was making an excellent throw to retire the speedy Ted Holt.

From the opening stanza it was a pitchers duel. Schaffer got C Block three up and three down until Jim Gallagher nicked him for a crispie in the sixth session. In the seventh an error by Cartier and a bingle by Holt threatened his tranquillity but he retired the sid by getting Saul Labovitz on a grounder to Krasnor.

Cartier Hero

Frank Lastner was having no trouble from the A Block batters, silencing them from the first through the sixth except for a couple of passes to Boggs and Tommy Bryant. His "Waterloo" came in the seventh stanza when Goldfaden led off with a double to left. Krasnor got "Goldy" to third by grounding out Ed Cartier made up for his boot in the inning before when he came to bat. With one strike he laid a perfect bunt down the first base line and beat it out for a single that propelled the winning run over the plate.

Box Score Championship Game:

A Block	AB	R	H	PO	A	E
Boggs, lf	1	1	0	4	0	0
Hansel, sf	3	0	1	2	0	0
Moore, lb	2	0	0	13	0	0
Goldfaden, 3b	3	1	1	0	7	0

Packers Slaughter College Park 12-0

The green and white shirted Packers grabbed a couple of touchdowns to whip College Park by 12 to 0 at Braden Field before a goodly crowd last Sunday. Neither score was the result of any sustained drive, they actually grabbed the ball for their scores.

DeMar, B. Palmer Sparkle

Jimmie DeMar was the hero of the first six points when he blocked a desperate C. P. punt into the arms of Don Brewer who ambled over the double stripe. Dan Jones' try for the point was wide. This action was early in the second quarter.

Greenbelt's dozenth point came quickly and unexpectedly during a fit of College Park passing success right after the third period ended. Sonny Mothershead and Greco were pitching and catching with alarming skill in the early moments of the final canto when Blake Palmer raced in to intercept a high hard one. Mrs. Palmer's elder son scooted half the gridiron to score in the midst of a green and white convoy. Thy for the point was a fizzle on a fumble by the holder.

Danny Jones, Donnie Wolfe and Joe Cashman did most of the work-a-day ball carrying and had several scoring threats ruined by holding penalties. The most outstanding play for the locals came in the third period when Jones faked a rtverse to Cashman and threw a long pass far down the field which which rightend Sully took on a deat run near the side (Continued on Page 4)

Child Care

(Continued from Page 1)

Teacher College, Minnesota. She has taught all grades of elementary school and junior and senior high school, but has also had experience with pre-school children, and is well-fitted for her job. She too is a mother as well as a teacher. Mrs. Jack Webster is a graduate of the University of Southern California, in physical education, and also had extensive nursery school experience. Mrs. Webster, Mrs. Anderberg and Mrs. Wheaton are new Greenbelters. Mrs. Gawthrop, the "housekeeper-mother", on the other hand, has been here since October, 1937. Her many friends know that the children are lucky to have the benefit of her culinary skill and immaculate housekeeping. She does all the planning, buying and preparation of the meals, and says she so enjoys it all that it's difficult to pull herself away after hours.

The community owes a debt of gratitude to the committee which studied the possibilities of a child care center, made the preliminary survey and helped draw up the figures to present to the county officials having charge of the Lanham funds. Its members were Mary Jane Kinzer, head of family selection; Frances Stauffer, public health nurse; Catherine Reed, former elementary school principal; Mrs. Stanley Lebergott, teacher at the cooperative nursery school; Mrs. Harry Fleischer, Mrs. Paul Barnhart, Mrs. Comly Richie, Mrs. Joseph Rogers, Mrs. Linden Dodson, Mrs. Elmer Nagle, and Mrs. John Vachon.

Citizens who have donated or loaned toys and other equipment and who have volunteered to help with playground supervision include Mrs. Comly Richie, Mrs. Kenneth Sharpe, Mrs. Ira Solet, Mrs. Benjamin Perelzweig and Mrs. Robert Kahn.

School Week

(Continued from Page 2)

winter. Mothers are again urged to keep home any child who has a cold. An example of this kind of cooperation by a mother is that of the Greenbelt mother, who, knowing her son had been exposed to the mumps, kept him at home, isolated for one week, before he developed a case—thereby preventing the exposure of an untold number of others. Unusual, but exemplary consideration for other children.

Children Arrive Early

The school has a problem of having too many children arriving at school much too early. When parents realize that their children are not supervised if they arrive before the school day begins, perhaps they will want to determine how much time it actually takes the child to make the trip and let him leave home accordingly. Of course, in bad weather when it is necessary to come early in order to get a ride, the school arranges to have someone on duty at that time.

Adult Study Classes

Grown-ups are making enthusiastic students this year as usual, according to reports from the adult education classes. Reasons for study by adults are multiplying in an increasingly complex world.

From The Halls Of G. H. S.

BY MARILYN MARYN

Junior recreation for high school students opened Friday night with a bang! Besides the usual activities—shuffleboard, volleyball, dancing, ping pong and checkers—a special concert was given by the Serenaders. All high school students are welcome to come down any time for an evening of fun with their friends.

The high school Parent-Teacher Association held its first meeting Tuesday evening. Parents of students are urged to attend these P.T.A. meetings for a mutual understanding of the Greenbelt High School curriculum and activities.

December 1 and 2 are the dates set for the Senior class play. A complete cast has been chosen and rehearsals started this week.

Mrs. Trucksess, music director of G.H.S., took a group of music pupils to the National Theater Wednesday afternoon. They saw the musical production "Blossom Time".

The Glee Club has been asked to sing at the Community Church December 5.

The Greenbelt High School pupils are now able to subscribe to the student issues of Readers Digest.

Packers

(Continued from Page 3)

line. The play ate up 55 yards but was spoiled later by the above mentioned penalties.

College Park played a defensive game most of the way save for some spirited pas plays in the middle quarters.

Packers Away Sunday

The Packers invade Hyattsville's Magruder Park this Sunday to help the lads in that town open their season. Game time is 1:30. Fans with cars that could haul some of the local huskies to the game please meet at the drugstore at 12:30 Sunday.

Free Language Courses

Registrations are still open for free German and Russian lessons. Russian classes meet Tuesday at 8:00 p. m. and the German Class meets on Wednesday at 8:00 p. m. in Room 224, of the Greenbelt Elementary School.

Private John P. Bosek, former resident of 45-C Ridge Road, is stationed at Camp Adair, Oregon with the medical unit of the 274th infantry.

Score by periods:

Greenbelt Packers 0 6 0 6—12
College Park Boys 0 0 0 0—0
Touchdowns—Brewer, B. Palmer. First downs—Packers 4, College Park 5. Substitutions—Packers: Brewer, B. Palmer, DeMarr, Coulter, Gurney, Flynn, Ward, Leipert; College Park: Brookshire, Skeen, Moore. Referee—Ernie Boggs, West Virginia. Umpire—Emmett "Zipper" Nanna, Maryland. Head linesman—Lester Sanders, Navy. Timekeeper Saul Labovitz, Army.

Greenbelters in Uniform

Edward, C. Kaighn, Jr., son of Mr. and Mrs. E. C. Kaighn, 13-V Ridge Road, has been promoted from squad leader to guide with the V-12 Marine detachment at Colgate University.

Samuel A. Henderson, Jr., of 26-D Crescent Rd., was inducted into the Navy September 13 and was sent to the U. S. Naval training station in Bainbridge, Md. His wife and baby daughter will remain in Greenbelt.

Private Ross F. Balsley spent the week end visiting his aunt and uncle, Mr. and Mrs. Charles Barkley of 3-R Research Road. He is stationed at Orlando Air Base, Orlando, Fla.

Wanted—Riders or a driver to the Navy Department. Hours from 8 to 5. Call 5423.

Classified

COOPERATOR classified advertisements bring results. Use them frequently. The rates are three cents per word. To eliminate bookkeeping terms are cash with ad.
